Looking to become a TV/Radio Voice-Over Artist?

To break into this exciting and **highly paid** area of the industry you **need** a professionally recorded demo CD, with attractive artwork for your prospective producers/directors to see and hear.

Hyperdriven Media Services offer a complete low-cost solution for producing your promotional CD. Our service covers **everything** from start to finish:-

- **Writing Your Personalised Copy**
- **Digitally Recording Your Talent**
- **All Editing & Post Production**
- **Photo Shoot (for CD cover)**
- **Personalised Full-Colour CD Insert**
- **CD Duplication (Five Copies included)**
- **Introduction to Talent Agency**

We include you in the entire process - every step of the way - and you get to take advantage of our technical expertise, friendly direction and brutal honesty.

Our goal is to get you noticed.

Complete Package - Just \$285

A number of people are already experiencing the benefit of our services and saving quite literally thousands of dollars in the process. We can help you save on your promo too - all you need to do is pick up the phone.
